This is one of the hest arranged and well built establishments of the kind on the Western country; and turnished with all of the necessary fixtures and farmiture, the whole cost of which was upwards of one hundred thousand dallars. The principal object was to have a first class lfattle kept at the seat of Government for the accommodation of strangers and others who come hither on business or pleasure.— An appropriate building has been creeted and furnished in a style of elegonee rarely surpassed, and our of set is to have a lamiltord who is in all respects qualified to take charge of it.
